Personality Analysis

At the time of your birth, the astrological configuration featured a Sagittarius Ascendant (Lagna) with a Gemini Navamsa and Sagittarius Dreskana in the third Pad of Moola, projecting you as a person radiating health, wealth, and happiness. Undoubtedly, you were born lucky.

Everything is in your favor. You possess an attractive personality and are an engaging conversationalist with a great sense of humor. You are not afraid to tell the truth in public, even if it offends others, and you will enjoy a happy home.

What more could one ask for? Perhaps unimpaired health, as there are indications that you may be affected in later years by diseases such as gout, ulcers, rheumatism, and apoplexy. If you do not take advance precautions, you may regret it.

Develop an interest in religion and philosophy from now on and cultivate a sense of detachment. As a God-fearing and learned person, you can delve deeper into the philosophy of life and contribute generously to charity.

It is during your 27th or 31st years that you may hit the jackpot. Either of those two years will bring immense benefits to you. At these times, concentrate on organizing seminars and group discussions, as you have good organizational ability, complemented by being an impressive orator and a clever go-getter. If you succeed with flying colors, you can expect to prosper further in your profession; not only will your reputation be enhanced, but your circle of contacts will also widen.

Though you will have an understanding spouse and good children, all may not be smooth sailing for you at home. This is because you can be easily irked by petty things and lose your temper quickly, which may result in you feeling isolated. Learn to keep your outbursts in check.

The professions that suit you include becoming an advocate, writer, orator, politician, or religious preacher.

Your lucky days are Sunday, Tuesday, and Thursday, whereas Monday is average. Wednesday, Friday, and Saturday are inauspicious.

Since numbers play an important role in your life, rely on 3, 5, 6, and 8, while

avoiding 2, 7, and 9.

The colors you would do well to opt for are white, cream, orange, blue, green, and emerald. Red, pearl, and black do not suit you.
