## Personality Analysis

At the time of your birth, Taurus Ascendant (Lagna) was rising along with Virgo Navamsa and Capricorn Dreskana in the second Pad of Mrigasira, denoting that you are an easy-going, pleasure loving human firmly believing that you are born to enjoy comforts, wealth and women.

To that end, you will spare no efforts. And more often than not, you will emerge successful, especially after the age of 28 when you will have most of the things you aspire for.

Though given to easy nature, you have some qualities which are commendable. You never take hasty decisions, but think over coolly and rationally before taking the next step. You plan your operations after weighing the various pros and cons in detail. Then you set out to realise your ambition with single-minded devotion and purpose. But on rare occasions you will have a vacillating temperament which may cost you dearly. So stick to your basic quality of going ahead with your job once you have made up your mind.

Hard and sustained work will certainly bring rewards in the form of money, material possessions and physical comforts. Once on the path of progress, you will become even more greedy wanting to amass more and more wealth. Due to that you will become tight fisted and go on accumulating assets till the end.

In your money making spree, the professions best suited to you are dealing in luxury goods, business connected with agriculture, finance, the fine arts, precious stones and transport.

Always wanting to catch the eye of the opposite sex, you are likely to indulge in sexual pleasures, culminating in damaging your vital parts. Better be cautious about it.

You will, however, have a happy, peaceful home. That is primarily because you make sure you pick the right partner. It would be advisable for Taurus born persons to choose their spouses from those belonging to Virgo, Capricorn, Pisces or Scorpio. Then the combination will be harmonious and enjoyable. You also do a lot to keep your family happy and healthy by providing them with all the necessities of life.

Even though by and large you possess normal, even robust, health, you are susceptible to some diseases later in life. You are prone to suffer from throat infection, cough and cold, in addition to having bodily itches, pimples and bodily

aches. Periodic visits to your family doctor will prevent contacting those diseases.

The lucky days for you are Friday, Saturday while Wednesday is fair enough. The other four days are not too favourable as they will prove expensive, while the numbers ideal for you are 2 and 8. Number 5 doesn't agree with you. Of all the colours, better opt for white, green and pink, and avoid red.
