## Personality Analysis

The configuration at the time of your birth was a rising Virgo Ascendant (Lagna) with Capricorn Navamsa and Virgo Dreskana in the second Pad of Uttara Phalguni. This establishes that you will enjoy robust health and live up to a ripe old age.

But you are not one to accept that health is wealth. You are very avaricious and want a lot of wealth. The indications are you will realise your ambition to some extent at least, but you will have to bear in mind one important aspect and that is your fortune fluctuates a lot with the positions of the planets. So you must not be disheartened if you experience many ups and downs but appreciate the fact that it is all in the game.

However, you can rise from the dumps only if you can make up your mind to do so. And that is where the rub lies. You have a fickle mind which makes you go on shifting and changing your stance on issues. You have got to first think deeply and arrive at a decision on the approach you will have to take and act on it. For you, the first thought is the best thought.

Tall, with a slender build, curved eyebrows showing up on your face, you tend to be rather proud and arrogant, finding fault with others all the time. Since you are very intelligent, you expect the same standard from others too, and when you don't find it you lose your equanimity and criticise them endlessly. Due to this you will alienate many people.

That is why you will have to be careful about some of your friends and subordinates, because they may, after knowing your secrets, betray you in public to tarnish your image and reputation. Some of them may even go to the extent of taking you to court and get some others to depose against you. So better be on guard against such an eventuality by making sure that before you choose your friends and servants you would have learnt about their nature and antecedents.

Gemini's can pick their profession from a wide range comprising share brokerage, accountancy, law, engineering, those connected with liquids, film distribution, teaching and occultism. As they are intelligent and are interesting conversationalists, they can, if they mind, emerge as good regional level leaders.

Though your health will be very good in general, it may start showing cracks as you grow old, because you are in the habit of indulging in excesses in most of the things you do. Hence avoid any kind of drugs and abstain from

alcohol. Have a balanced vegetarian diet as your stomach and your nervous system are pretty sensitive. Otherwise you may be hit by dysentery, stomach disorders and back ache. Since you sustain minor injuries almost regularly, be careful in driving.

The numbers that will prove lucky for you are 2, 3, 5, 6 and 7, while those that disagree with you are 1 and 8.

Go in for white, green, yellow and emerald colours, avoiding blue, red and black.

The lucky days for you are Wednesday and Friday whereas Saturdayday is average. The other four days are not too favourable as they will prove expensive.
