## Personality Analysis

At the time of your birth, Cancer Ascendant ( Lagna ) rising along with Aquarius Navamsa and Pisces Dreskana in third Pad of Aslesha indicates that after a none too promising youth you can look forward to a better life from the age of 34. But then, success can come your way only if you make an honest and resolute effort to achieve it.

There are signs of your having fairly good earnings, but the point is how much of it you would retain, because you are fond of alcohol, indulging in which, as everyone knows, is a pretty costly affair. Also, since you have the tendency to be very selfish, you may spend a sizeable amount on yourself. This, in spite of the fact that you will have a large family, consisting of a loving spouse and grateful and dutiful children. Hence, you will have to be careful in spending money, otherwise it may lead to strained relations with your family.

It is up to you to exploit your natural talents to your advantage. You are pretty well read, can write well and talk impressively. You can utilise these to make a good impression on others. If, on the other hand, you put these qualities to negative use, then others will suspect you of trying to cheat them. Once that image is created, it will be very difficult to erase it, with the result you won't be successful in your business and other dealings with people.

But if you exploit your talents, then you will be able to acquire sufficient assets which will help not only yourself but also your near and dear ones to lead a comfortable life free from wants. The professions best suited for your talents are taking to commerce and becoming an auditor of a travel agent or guide.

Being a devout person, you will develop interest in religious matters. This, combined with your general knowledge and literary ability, can enable you to take to publishing on philosophy. This will yield dividends.

Health will be tolerably good, but the diseases which may affect you are stomach trouble, dropsy and pain in the joints. Hence it is advisable for you to keep a constant watch on your health by leading a sober life and having periodic medical check- ups.

The lucky days for you are Monday, Tuesday and Thursday, Sunday is average. The other three days are not too favourable as they will prove expensive.

The numbers which can prove lucky for you are 4 and 6 which vibrate in your favour. While 2, 7 and 9 are passive, 3 and 5 just don't suit you.

Your lucky colours are white, cream, red and yellow. The negative colours are green and blue.
