## Personality Analysis

The astrological configuration at the time of your birth was Pisces Ascendant ( Lagna ) rising with Cancer Navamsa and Pisces Dreskana in the fourth Pad of Poorva Bhadrapada at the time of your birth. This throws you up in a romantic light, indicating you are a person who considers the greatest pleasure of life is to be found in the company of your lover and wine.

Giving topmost priority to romance, you prefer a partner of beauty, charm and intellect. Love-making is your main interest in life, even more than going after riches. In selecting your spouse, you would do well to pick one from Virgo or Cancer group.

Your attachment to your bed partner will be so much that if the latter mixes freely with others, you will become suspicious of both the parties. If you banish jealousy from your thoughts, you can have a very delightful domestic life, more so as you will have lovable children.

Another area in which you will have to move with caution is in selecting friends. Though some of them outwardly appear to be honest and sincere, inwardly they will be planning to cheat you. Screening before cultivating friends is essential.

Endowed with a shrewd mind, you can amass wealth in business. For that you will have to give up an easy way of life and work hard with dedication and purpose. Since most Pisceans will be addicted to alcohol, they may invite diseases like gastric trouble and tuberculosis. Heart troubles also cannot be ruled out. To maintain good health, giving up liquor would be ideal; in lieu of that, cutting down consumption is must.

Pisces being a dual sign, you are almost an enigma to others as well as to yourself. Many times others are not able to understand you, as they can't make out what you are aiming at. It is not easy for them to analyse your different moods. Now and then you are led away by fanciful thoughts, which would be having no relevance at all to reality. This is where your problem lies. Since you are not at all sure your goal, You may become indecisive and disheartened. Consequently, you sit back and pin your faith on the promises made by others. This is one trait you have got to set right, in which event you can be sure of a comfortable life.

The focal point behind the Pisces sign is occultism, combining mystic thoughts and psychic pursuits. Most Pisceans are given to pursue religious tenets, eager to be rid of humane bondage. Their ultimate aim, at least as per their

imagination, is to seek Moksha or salvation so that they don't have to go through the rigorous of earthly existence all over again.

You have got to bear in mind that whatever profession you pursue, hard work alone will pay dividends in your case. For you, the ideal job will be that of an administrative officer in a government department.

Three days of the week - Monday, Thursday and Tuesday are highly favourable to you. Sunday is average. The other three are not too good.

Your lucky numbers are 1, 3, 4 and 9, while the unlucky one is 8.

Red, rose, orange and yellow are ideal for you, whereas green, cream and white will help in your partner's prosperity. Come what may, don't take to blue.
