# Personality Analysis

The astrological configuration at the time of your birth was Virgo Ascendant ( Lagna ) on the rise with Pisces Navamsa and Virgo Dreskana in the fourth Pad of Uttara Phalguni, signifying that you have not only material interests, but also a religious bent of mind, which will make you visit many holy places.

You will, of course, work hard and with utmost devotion to become a wealthy person. In pursuit of this you will be prepared to go any distance, like ditching those who helped you in your hour of need, even becoming a hypocrite.

What propel you in such a direction is the fact that you will experience ups and downs as per the planetary positions. But you can get past the hurdles if you put to good use your general knowledge and give up your wavering habit. You have got to think clearly and carefully about your plan of action and take a firm decision before acting on it. But once a decision is arrived at, you have got to pursue it vigorously without having second thoughts. First thought is the best thought, should be your motto.

You belong to an intellectual caliber. Hence you find fault with others and criticise them to the point of annoying them. In the bargain you may alienate your friends, some of whom may even become your enemies and try to settle scores with you by deposing against you in court. To avoid such a contingency, you had better learn to exercise abundant patience.

It is because of your critical bent of mind that you would do well to take to professions like auditor, examiner or income-tax official. The best would be to opt for auditing of accounts as you have a commercial instinct which may sometimes drive you to invest money in commercial ventures. In that you had better go slow, as the returns on your investments are likely to be rather meager.

You will be very fortunate on the home front. You will have a god-fearing, loving spouse, through whom you will beget good children who will be well settled in life. So you would do well to curb your sexual desire to go after others, with whom you will be pretty popular.

You will no doubt live up to a ripe age and enjoy good health, but as years go by, you may be prone to diseases like back ache and blood pressure. If you adopt a sober approach from the beginning, like restricting your food consumption, preferring vegetarian diet and abstaining from alcohol, you will be well off.

Your lucky numbers are 2, 3, 5, 6 and 7, while those unfavourable are 1 and 8.

Since colours play an important role in your life you had better go in for white, emerald, yellow and green, avoiding red, blue and black.

The lucky days for you are Wednesday and Friday whereas Saturdayday is average. The other four days are not too favourable as they will prove expensive.
