- ❖ The above dasa periods have been computed on the basis of Moon Degree. However, as per bhayat / bhabhog the balance of dasa is Rah 6 Y 5 M 2 D.
- ❖ The Dates given for Dasa periods show their endings. Divisions of Vimshottari Dasa for Complete 120 years are given here without any consideration of longevity.

Personality Analysis

At the time of your birth, Taurus Ascendant (Lagna) rising with Cancer Navamsa and Capricorn Dreskana in Rohini fourth Pad denotes that you are a person of tremendous will-power who will leave no stone unturned to achieve worldly gains and pleasures.

In pursuing your goals you have an edge over most others. And that is your monumental patience and thorough planning in whatever you set out to do. Never one to take a plunge, you bide your time to strike after doing a lot of preparatory work on your projects. Then when you are set to go all out to achieve your aim, you are invariably assured of success because you are not a day-dreamer but one who puts in hard and earnest efforts.

This results in bringing plenty of monetary benefits which you make sure to keep without indulging in lavish spending. Not only that, your avarice is such that you want to go on increasing your assets to the extent of being a miser.

But the areas in which you will spend will be in seeking worldly pleasures including love affairs. You are fond of a life of comfort and ease which at times make you lazy. This deficiency you will have to overcome if your ambition of amassing wealth is to be fulfilled. Physically, you will have moderate stature with a plump yet muscular body. You have a prominent forehead with large and arresting eyes.

You are just interested in minding your own business of making money and attaining power without getting involved in controversies and quarrels. But if your enemies rub you on the wrong side, you will hit back with tremendous power like an enraged bull.

You love a peaceful, pleasurable family life. That is why you establish good rapport with your spouse and provide much comforts to your family members.

Being a Taurean, you enjoy good and robust health and you are hardly sensitive to pain. Even if you have any physical disability you won't admit it to anyone. Since your power to fight illness is limited, you don't have quick recuperative power. Consequently you take time to recover.

As you are a person who believes in playing safe in anything you do. The lucky days for you are Friday, Saturday while Wednesday is fair enough. The other four days are not too favourable as they will prove expensive., and your lucky

numbers 2 and 8. Avoid, as far as possible, 5.

The colours that suit you best are pink, white and green. Red is no good, so keep clear of that "Danger Signal".
