Personality Analysis

As at the time of your birth Aries Ascendant was rising on the eastern horizon, your Lagna comes under Gemini Navamsa and Aries Dreskana in Aswini third Pad.

This marks you as a dynamic individual with a lot of drive to carry out your pursuits with power and determination. A highly ambitious person, you will make it a point to work hard to realise your goals. You are gifted with self-confidence par excellence to get going with your tasks. But there is a minor snag and that is: A wavering mind. In most cases you move with electrifying speed, but suddenly halt in your tracks as you start having second thoughts. If you stick to any one decision and work whole-heartedly to implement it, you are bound to succeed very well.

Actually, in your heart of hearts, you want to emerge as a leader since you are aware you can't follow others' instructions. For appearances' sake, however, you give the impression of heeding others' advice, but it is seldom that you are influenced by them. Actually, the persons who offer suggestions to you derive inspiration from you.

You are not scared of your enemies. In the face of any adversity due to the machinations of your enemies, you will face it with a straight-forward approach, but there may be instances when you exercise your discretion to act diplomatically.

Aswini denotes you have a strong and forceful personality with the ability to amass wealth. With your broad forehead and penetrating eyes, you have the capacity to make a good impression on all those with whom you come in contact. Due to excessive greed to make money, you may be involved in disputes with your brothers. Your family life otherwise will be good. Family matters play an important role in your life. You are all the time thinking of doing the maximum for your family and so unconsciously you will shoulder the entire responsibility of your household to the extent of acting like a guardian for them.

Most people get scared at the very mention of the word jail, But you won't fall into that category. That is because you may even become a jail official. It is one of the professions suitable to you, the others being the police, railways, etc.

In general your health will be fine but you will have to be cautious about attacks of fainting, congestion in the brain and headache. Better to periodically consult your family doctor so that preventive steps can be taken.

Your lucky period starts from the age of 20. The lucky days for you are Sunday, Monday and Tuesday, while Thursday is fair enough. The other three days are none too favourable as they will prove expensive. The numbers which will prove fortunate for you are 9 and 1 and which attract you are 4 and 8. The numbers to be shunned are 6 and 7. Being a colourful personality, you would do well to opt for yellow, golden and red colours, keeping clear of black.
