- ❖ The above dasa periods have been computed on the basis of Moon Degree. However, as per bhayat / bhabhog the balance of dasa is Sun 5 Y 1 M 21 D.
- ❖ The Dates given for Dasa periods show their endings. Divisions of Vimshottari Dasa for Complete 120 years are given here without any consideration of longevity.

# Personality Analysis

At the time of your birth, Sagittarius Ascendant (Lagna) was rising with Libra Navamsa and Leo Dreskana in the third Pad of Poorvashadha, laying an ideal pitch for you to enjoy an innings of plenty, progress and pleasure. Being a straightforward individual who calls a spade a spade in public, you can lead an honest and carefree life.

You have almost everything lined up in your favour. You will be blessed with an attractive personality and good health, will have some education and the ability to hold the bull by the horns to achieve success. Backed by the power of intuition, you will prepare your plan of action after studying all the angles of a project and then go all out to complete the job.

There are, however, two tiny traits which you will have to curb. One is the temptation to indulge in gambling which will result in losses. The other is your habit of talking almost nonstop. An honest human being, you will bluntly utter the truth in public to the annoyance of others. Also your sharp-edged vocabulary carries much sting which hurts other people. Avoid this if you want to retain your friends.

You are attracted by foreigners. You always want to cultivate them and try your utmost to catch their eye. If you are careful in your conversation with them, you may wangle a trip to a foreign country.

You will no doubt have a happy home, what with a loving spouse and well-behaved children. But you won't be able to have your way at home as you spend quite a bit of time outside as you are interested in sports and in travelling.

The professions suited to your genius are company law, dealing with foreigners, education, politics and working in concert with educational and religious institutions.

If you follow the guidelines listed below your work will proceed without a hitch :

Prefer numbers 3, 5, 6 and 8; make it a point to steer clear of 2, 7 and 9.

Your lucky days are Sunday, Tuesday and Thursday wheras Monday is average. Wednesday, Friday and Saturday are inauspicious.

Avoid red, pearl and black. Go in for white, cream, emerald, blue, green and orange which are favourable.
