- The above dasa periods have been computed on the basis of Moon Degree. However, as per bhayat / bhabhog the balance of dasa is Sat 13 Y 10 M 24 D.
- The Dates given for Dasa periods show their endings. Divisions of Vimshottari Dasa for Complete 120 years are given here without any consideration of longevity.

Personality Analysis

The combination of Leo Ascendant (Lagna) rising with Scorpio Navamsa and Aries Dreskana in the fourth Pad of Poorva Phalguni shows that if you move with caution and proper planning, you will attain success in life. But, for that, your earnest contribution is essential, as there is the possibility of your encountering a couple of problems in your path to prosperity.

The conjunction actually presents a picture of the good, the bad and the ugly. The excellent aspect that is discernible in your star is that you will enjoy a high position close to the throne, earning, in the bargain, a substantial amount. You are capable of being a top administrator or director of a big company or corporation, which will bestow on you wealth, prestige and influence in society.

Leo Ascendant also points in the same direction, displaying promise of a cozy life, with plenty of money and a good family life.

The above two also show you will enjoy generally good health, but with a remote chance of some heart ailment or spinal trouble in your old age, due to your hectic work schedule and your fiery temper.

But it is Scorpio Navamsa which paints a different picture, pointing to the possibility of the native having a defective limb, diseased and being poor.

So, it is up to you to chalk out your strategy properly so that the ill effects of the Navamsa are mitigated and you will lead a good life. One of the things to concentrate straightaway should be regarding health. Give your mind adequate rest by relaxing as much as possible and sticking to a controlled diet, keeping clear of intoxicating drinks. Another aspect is to be careful in your movements so that you don't sustain any kind of physical harm.

Regarding poverty, undue alarm is not called for, as you have many splendid qualities which, if put to proper use, can make you wealthy. Here it would be advisable to keep a check on your purse, as you will spend a lot to maintain a majestic appearance in public. If you indulge in a spending spree now, you may regret it later, as your assets would have dwindled.

You can have a happy home with a loving spouse and adorable children. With sufficient financial resources at your command, you can provide them with all worldly comforts.

The lucky days for you are Tuesday, Sunday and Thursday whereas

Monday is average. The other three days are not too favourable as they will prove expensive.

Numbers 1, 4, 5, 6 and 9 will prove beneficial, but not 2, 7 and 8 which don't suit you.

Avoiding blue, black and white, go in for orange, red and green, which will prove advantageous.
