## Personality Analysis

At the time of your birth, the configuration was Pisces Ascendant (Lagna) rising along with Capricorn Navamsa and Scorpio Dreskana in Revati second Pad. This establishes that the combination is ideal for you to lead a life of prosperity and happiness.

It is entirely in your hands to utilise the favourable signs for your benefit. If you curb your excessive zeal for sex and desire for alcohol, you can make an outstanding success of your life. Being honest, god-fearing, respectful to parents, and interested in serving religious leaders and saints, you can set a model to others.

No doubt, you will amass wealth (without coveting others' property) which you will put to good use by meeting all the demands of your family members, as also being generous in helping your friends. But a part of it you may squander by chasing petty worldly pleasures. If you avoid it and instead contribute that to charity, then you will live up to the motto "Service to humanity is service to God."

You will have to avoid trusting your friends blindly. Your friendship is indeed pure and you expect your friends too to be totally devoted to you. Hence, you have the habit of relying on their support in times of necessity, but you will be shocked when you realise that the promises made by your friends are not worth anything. So proceed cautiously in your business dealings with friends.

Self-help is the best help. You have the knowledge and capacity to tackle your problems. So why count on others and come to grief later? All that you need to do is to proceed with self-confidence and pursue your projects with determination, which is certain to yield dividends.

In your entire lifespan you will encounter problems three times. That will be during your 17th, 21st and 24th years which may prove to be none too lucky. So, proceed with caution and care during those periods. Then your long life will be excellent.

The professions that suit you are becoming a religious head, Press, publicity and advertisement, radio, telephone and astrology. You can also shine as a lawyer or engineer if you want.

By and large your health will be good but if you take to drinking or smoking you may suffer from intestinal ulcers and nephritis. Think about it before getting

addicted to them.

No matter how you conduct yourself, you are assured of one thing - a happy home with an understanding spouse and bright children.

Always make it a point to avoid number 8 which is inimical to you. The numbers that will bring luck are 1, 3, 4 and 9.

Rose, red, orange and yellow should be your favourite colours. The one you should keep clear of is blue.

Three days of the week - Monday, Thursday and Tuesday are highly favourable to you. Sunday is average. The other three are not too good
