Personality Analysis

The configuration at the time of your birth was Taurus Ascendant (Lagna) rising with Leo Navamsa and Capricorn Dreskana in the first Pad of Mrigasira indicating that your good period in life starts from the age of 28.

Taurus being an earthly sign, the predominant feature of it is the zeal to acquire and enjoy material things and pleasures. Hence you will go about your job with methodic precision taking no chances whatever. You will take your own time in making up your mind and bide your time to launch your operations. Once you reach the launching pad, you will zoom high and achieve your goal.

You are determined and dogmatic about your plans. You are normally quiet and cool, but if anyone crosses your path to your detriment, you will not hesitate to erupt like a volcano going to the extent of taking to violence to crush your enemies. Instances in which you find others trying to halt your progress will make you suspicious and entertain vicious and evil thoughts. This is not a welcome feature; hence try and get over it so that your image is not sullied.

Your image is important because you have an impressive personality even though you are of medium stature with a strong, muscular body giving the appearance of a stocky, solid build. You have broad shoulders with a well developed chest.

You are so obsessed with seeking worldly pleasures that you are constantly on the look out for sexual orgies to the extent you run the risk of damaging your private parts. If you cross the limit, you may have to regret it.

Yet, you are bent on having a nice, quiet home in which you can have peace and fun with your family members. You will have a good spouse who will ever be willing to lend you a helping hand. On your part, you will strive to do the utmost for your family.

You have two kinds of itches : One, the itch to make money all the time, and the other suffering from bodily itches in the later part of your life. Though your health will be good in general, you may sustain simple cuts and fractures of the arms and pain in the shoulders.

You will have to be careful about health because since your recuperative power is low you will be laid up for a long time, unable to recover fast.

Already assured of sufficient wealth, you can fare even better if you note

that the numbers favourable to you are 2 and 8. The lucky days for you are Friday, Saturday while Wednesday is fair enough. The other four days are not too favourable as they will prove expensive. Under no circumstances use red colour which does not suit you. The colours which will prove beneficial to you are pink, green and white.
