## Personality Analysis

A delightful life of wealth, power and position is in store for you, as per the configuration of Capricorn Ascendant (Lagna) rising on the eastern horizon with Leo Navamsa and Virgo Dreskana in the first Pad of Dhanistha at the time of your birth. But, just don't sit back with a snug feeling that since the combination favours you, everything would automatically fall into place; there is no way other than your chipping in with hard and sustained work to ensure success.

To achieve your ambitions, you have the requisite qualities. You are well informed, intelligent and endowed with the power of intuition which you can put to profitable use by pursuing your projects with vigour and determination. If you do that, the odds are you will emerge triumphant.

In this, you have an advantage. Fortune will smile on you between your 19th and 24th years which gives you a headstart over others. Building upon that, you can amass wealth and take it easy in your old age.

Coupled with your learning is your leadership quality because of which people will approach you to seek guidance on various matters. Not only can you give them proper advice you can also help the needy monetarily as you would be having sufficient resources. You will, of course, contribute to charity, as you have a religious bent of mind due to which you will visit many holy places.

You will have to take some precautions regarding your health, which will be good to a large extent, but there are chances of your suffering from diseases connected with the skin, the digestive system and tuberculosis. It would be in your interest to resort to the policy that prevention is better than cure. Also, you will have to be on the look out for the possibility of your sustaining minor bodily injuries.

Rejecting yellow and cream, go in for white, red, black and blue which favour you.

Of all the numbers, 3 is most unsuitable to you. So keep clear of it. Those vibrating in your favour are 6, 8 and 9.

Your lucky days are Friday and Saturday; whereas Wednesday is average. Monday, Tuesday, Thursday and Sunday are not too favourable as they may bring worries, forcing you to incur much expenses.
