Personality Analysis

At the time of your birth, Aries Ascendant (Lagna) was on the rise, with Libra Navamsa and Sagittarius Dreskana in the third Pad of Bharani, denoting that if you really make good use of your faculties, you may emerge as a genius in your sphere of activity. You have the basic ingredients to achieve it; only, you have to firmly make up your mind as your constantly wavering and scheming brain drives you to go on changing your ideas from one to another. You have got to conquer this bent of mind and arrive at a firm decision which, once taken, should be pursued with single-minded devotion. Then you are likely to succeed beyond expectations.

You are an action-oriented person possessing tremendous energy. Your courage and self-confidence will lead you to success in your activities. They will also influence others to look upon you as a leader and seek your guidance. As you are hard working, capable of putting in a lot of labour, you are bound to earn a lot. But being a spendthrift, it will be difficult for you to save much money.

As you are fond of travelling, you will regularly hop from place to place. At one juncture, you will do extensive travelling, in the course of which you will strike many new friendships. This is a good development as your friends and well-wishers will play an important role in your life.

There is no need for you to be unduly worried about your enemies. Actually, it is they who have to be on guard, because they will be pretty scared of your short temper.

In spite of your varied interests, you take good care of your family and find enough time to spare for them. You discharge your responsibilities towards them to their satisfaction.

You are blessed with a long life of comfort and luxury. Because of your strong sex appeal, you will indulge in a hectic life with the opposite sex, leading to your contracting below-the-belt diseases. So better be careful while picking your women; be choosy instead of being reckless.

You will possess a rather lean but muscular and strong body. You will have a broad forehead and your face will be narrow at the chin. It is possible there is a scar of an earlier wound on your forehead. You will have to constantly bear in mind that you are not only prone to minor injuries but also exposed to serious accidents, especially to the head. So avoid rash driving and be careful in crossing busy roads.

You will also have to take good care of your food and rest because you are a restless individual. Avoid alcoholic drinks and non-vegetarian food. Plenty of green vegetables are recommended for you. Plus, take adequate rest and have a good amount of sleep.

For you, the especially lucky dates are 9 and 1. The lucky days for you are Sunday, Monday and Tuesday, while Thursday is fair enough. The other three days are not too favourable as they will prove expensive. Red, copper and yellow colours are ideally suited for you. At any cost, avoid black.

Your lucky numbers are 9 and 1. Avoid 6 and 7.
