Personality Analysis

The union of Leo Ascendant (Lagna) on the rise along with Libra Navamsa and Aries Dreskana in the third Pad of Poorva Phalguni denotes that you will be very close to the seat of power and consequently earn a lot of money.

As you are a very patient listener, you will be well liked by your bosses who will feel confident you will carry out their plans to perfection. The same quality of patience pays rich dividends in your dealings with your subordinates who will extend their full co-operation which will enable you to achieve your target.

Once you get going with your work, you will display a very aggressive, even rash approach to complete your assignment in the shortest possible time. Never given to moving slow, you will be a busybody, rushing from place to place, sometimes attending to more than one job at a time. Hence, the professions suited for your temperament are government service, administrative positions in big companies or corporations, teaching, photography, radio, music and sports.

Your family life will be good with an understanding spouse and smart children whom you will love very much. But you are likely to be misunderstood by your partner as your attractive eyes will make the other sex make a beeling to you. You will have to explain it away convincingly so that you have a peaceful, enjoyable family atmosphere.

Your earnings will soar, especially from the age of 28 and continue for four years, which will be the best period of your life. But a problem is you will be tempted to go on a spending spree to present a majestic appearance in society. Better to build up savings from the very beginning so that you don't find yourself short of money in your old age.

Fond of travelling, you will strike many new friendships, enlarging the circle of your acquaintances to the benefit of both. On your part, you will prove you are a friend of friends and extend a helping hand to them, and they will reciprocate it to your advantage.

Having a charitable nature, you won't hesitate to contribute your mite for the upliftment of the weaker sections which will make you popular and enhance your status in society.

A word of caution: You may come to grief in your advanced age if you don't set your time-table properly. You will have to divide your time between your work, your family and rest for yourself. Since you are high-strung and overactive,

your nerves will be on edge. So it is essential you develop the habit of relaxation so that you are not stricken with diseases connected with the heart, the spinal column and blood pressure.

The colours that suit you best are green, orange and red. Those that don't agree with you are white, black and blue.

As far as possible, prefer the numbers 1, 4, 5, 6 and 9, avoiding 2, 7 and 8.

The lucky days for you are Tuesday, Sunday and Thursday whereas Monday is average. The other three days are not too favourable as they will prove expensive.
