## Personality Analysis

At the time of your birth, the configuration was Capricorn Ascendant (Lagna) rising with Gemini Navamsa and Taurus Dreskana in the third Pad of Sravana. This establishes that both Saraswati and Lakshmi, The Goddesses of knowledge and wealth, are likely to favour you. You can have a life of comfort and pleasure, more so as you will be lucky to have an attractive and accommodating spouse and promising children.

You can enlarge your areas of learning by delving deep into music, astrology and mathematics in which you already possess an interest. Our general knowledge makes such an impression on all those with whom you come in contact that many of them will approach you for advice and guidance.

So far as amassing wealth is concerned, you are fortunate to have a flying start, as the period between the ages of 19 and 24 will bring the maximum benefits. Using it as the foundation, you can hope to prosper further, endowed as you are with the power of intuition and ability to work hard. You have the will power to pursue any job undertaken even in the face of troubles. Only, you are a person who worries too much about everything. You will have to get over it, as otherwise in later years you may encounter problems connected with your digestive system. You have to be cautious about some diseases like skin irritation, rheumatism and tuberculosis. Better make it a point to have periodic medical check-ups.

Generous, you will donate liberally to charity and render voluntary social service. Highly religious, you will undertake many pilgrimages.

Of all the numbers, make it a point to go in for 6, 8 and 9 which will turn out to be immensely beneficial. Avoid number 3.

Your lucky days are Friday and Saturday; whereas Wednesday is average. Monday, Tuesday, Thursday and Sunday are not too favourable as they may bring worries, forcing you to incur much expenses.

Steer clear of yellow and cream which don't favour you. The colours that suit you are white, black, red and blue.
