## Personality Analysis

At the time of your birth, Gemini Ascendant ( Lagna ) was on the rise with Taurus Navamsa and Aquarius Dreskana in Punarvasu second Pad. This shows you are lucky, because you can lead a comfortable and happy life. But then, you have a drawback, which you will have to set right so that things work out in your favour.

Your drawback is a restless mind, which tempts you to switch from one job to another all the time. You are so impatient that you expect immediate results. Due to this, you will be tempted to leave many a work half done, with the result you won't get the benefit of your hard work. So, take your time in coming to a decision and then stick to it.

You have tremendous grasping power which enables you to pick up others' ideas and pass them on as your own. This makes people come to you to seek guidance and advice. Generally, your judgment about men and matters turns out to be correct.

Your good nature makes you popular with friends and relatives, all of whom respect you. Another reason for your popularity is you have a sharp and intelligent mind and you are sincere, reliable and charitable.

Being devout, you don't have too high an ambition in anything you do. You don't aspire for the moon, but feel happy and satisfied with whatever the returns.

If you work with determination, wealth will come your way. From the age of 25 especially, you will become opulent. With the major worry of lack of finance out of the way, you will attend to the comforts of your family members. You will have a peaceful home, with children providing many comforts, but you will have to be cautious about your sex life. Better to choose your life partner from one born under the Libra, Aquarius, Leo or Aries signs.

As you are fond of travelling, you will enlarge your circle of friends, many of whom will extend their wholehearted co-operation to you.

Fairly good health is assured to you, but you will have to be on guard against possible attacks of tuberculosis, bronchitis and stomach upset.

The professions that suit you are law, teaching, book publishing and journalism.

The lucky days for you are Wednesday and Friday, Saturday is average.

The other four days are not too favourable as they will prove expensive

The numbers on which you can bank upon are 3 and 7 which vibrate in your favour. Those unsuitable to you are 4 and 8.

You have a fascination for white. Better give it up. The colours which favour you are yellow, pink, purple, green and blue. Black and red won't suit you.
