## Personality Analysis

At the time of your birth, Taurus Ascendant (Lagna) was rising with Pisces Navamsa and Taurus Dreskana in Krittika fourth Pad. This points to your being a down-to-earth individual who is interested in the good things of life, like eating profusely, dressing well to impress others, having sex and, most importantly, build up as much assets as possible without squandering even a fraction of it. Since you are aware of the value of money, you will be extremely cautious in your investments and expenditure.

There is, however, one small problem. That is, at times, a determined person like you suddenly becomes lazy, neglecting your work and just taking things easy. You have got to curb this tendency.

Though you are out and out materialistic, you are endowed with a spiritual side too. You will be very pious and undertake pilgrimages.

Since you will take to quite a bit of travelling, you will come across a wide cross-section of people some of whom will become your fast friends. They play an important role in your activities. On your part, you play fair with them and will be ever willing to go to their assistance in times of need.

Possessing medium stature with a broad forehead and sparkling eyes, you will, by and large, enjoy good health. But in later years you may have health problems, like having brain fever, constipation and pimples. A difficulty here is once you fall ill it will take a long time for you to get fit, as your recuperative power is limited. So, look after your health in such a way as to ward off any possible disease.

You will take a pretty long time in selecting your partner. But once you make up your mind, you are assured of a harmonious and happy, homely life. You endear yourself to your family members because you will spare no effort to keep them happy.

In general, it would be advisable for Taureans to look for life partners from among those belonging to Scorpio, Pisces, Virgo or Capricorn. If this is done, then the wheels of your matrimonial life will roll smoothly.

Since you are a very cautious person, it will pay you to follow the guidelines listed below:

Never use red colour. It just doesn't suit you. Prefer green, pink and white

which go well with your birth sign.

The lucky days for you are Friday, Saturday while Wednesday is fair enough. The other four days are not too favourable as they will prove expensive. So you can concentrate on your activities mostly on these four days.

Numbers 2 and 8 are those which vibrate with you, while 7 and 8 are attractive to you. Numbers 1, 3, 4 and 6 are passive.
