Personality Analysis

The conjunction of Cancer Ascendant (Lagna) rising with Sagittarius Navamsa and Scorpio Dreskana in the first Pad of Aslesha at the time of your birth, denotes that it is entirely up to you to make a success of your life. There are signs of conflicting qualities in your personality which, if not sorted out, may deprive you of the chance of leading an opulent and comfortable life.

As a Cancerian, you are born to lead and act like a prophet, with the ability to earn substantial sums of money. Sagittarius Navamsa also points in the same direction. But your Nakshatra throws up the possibility of your being ungrateful and untrustworthy in your dealings. You have got to conquer this negative aspect of your character and develop your positive side. In that event, you will certainly get rich dividends, especially after the age of 33.

If you give up your inferiority complex and overcome your timid nature, it will help in going you to attend to your jobs with self-assurance and courage. Adopting a practical approach, you can succeed in your efforts, but you tend to suddenly get lazy and halt in your tracks. Get going with resoluteness and you are bound to succeed.

Of course, you are not scared of your opponents, but you would do well to avoid getting into disputes with them. Proceed cautiously and achieve your targets smoothly.

Your dual personality will also be put to test in your relationship with your family members. As a Cancerian, you should be fully devoted to your family, making any sacrifice for their welfare. But there are indications of strained ties with them. In this regard, you had better realise that whatever the provocation, you must curb the temptation to take to liquor.

If you work with purpose, you can build up a lot of assets. The ideal professions for you would be those connected with water, like irrigation and agriculture, dams and bridges, shipping and the like. You can also take to travel agency and astrology.

The diseases which can affect you are throat infection, nervousness, hysteria and boils on the body. Periodic visits to your family doctor is advisable.

For you, the lucky numbers are 4 and 6 which vibrate in your favour. The numbers which disagree with you are 3 and 5 which should be avoided. Your lucky colours are yellow, red, white and cream. Shun green and blue.

The lucky days for you are Monday, Tuesday and Thursday, Sunday is average. The other three days are not too favourable as they will prove expensive.
