- ❖ The above dasa periods have been computed on the basis of Moon Degree. However, as per bhayat / bhabhog the balance of dasa is Ven 14 Y 11 M 11 D.
- ❖ The Dates given for Dasa periods show their endings. Divisions of Vimshottari Dasa for Complete 120 years are given here without any consideration of longevity.

# Personality Analysis

At the time of your birth, the configuration was Capricorn Ascendant (Lagna) rising with Virgo Navamsa and Virgo Dreskana in the second Pad of Dhanistha, which shows you will be blessed with adequate resources. But there is need for some caution about it, as you may be tempted to take to gambling to become richer in the shortest possible time. Better curb that temptation. You may, however, buy lottery tickets off and on.

A person of firm views, you have the drive and initiative to pursue your goals with guts and determination. You have the ability to think clearly and chalk out your plan of action before jumping into the fray. This, coupled with your sixth sense, enables you to make a success of your job.

Though you will have a smooth time for the better part of your life, you will have to be careful during your 15th, 23rd and 29th years, as they may not prove lucky. During those three years, don't indulge in rash acts and take unnecessary chances.

The professions from which you can choose from are journalism and the communication media, philosophy, police, defence services, mining, dealing in leather goods, agriculture and industry in general.

In spite of your sky-high ambitions and hectic activities, you are a person very much attached to the family. You will adore your spouse and children who in turn reciprocate your feelings in abundant measure. You will, in general, be very fond of your parents and brothers and sisters.

Your other interests in life include enjoying good company and music. You will have enough friends with whom you will spend a jovial time.

Health will be fine, but as age advances, there may be chances of your having heart problems, fainting and incessant cough. Resort to periodic medical check-ups.

The colours that favour you are white, black, red and blue; the unfavourable ones are cream and yellow.

You can depend upon numbers 6, 8 and 9 which will prove beneficial. But one number you have got to avoid all the time and that is 3.

Your lucky days are Friday and Saturday; whereas Wednesday is average. Monday, Tuesday, Thursday and Sunday are not too favourable as they may bring

worries, forcing you to incur much expenses.
