- ❖ The Dates given for Dasa periods show their endings. Divisions of Vimshottari Dasa for Complete 120 years are given here without any consideration of longevity.

Personality Analysis

The configuration of Pisces Ascendant (Lagna) rising with Sagittarius Navamsa and Cancer Dreskana in the first Pad of Revati at the time of your birth is so propitious that it not only promises very many worldly benefits, including wealth, to the native, it also elevates one to a high spiritual plane.

Pisces, you should know is also known as the sign of "Moksha" or salvation. As you are a decent, honest person, with a religious bent of mind, eager to render service to saints, you can develop a sense of detachment towards earthly affairs. Think about it. This, of course, is not going to be too easy in your case because Pisces being a dual sign, there are two sides to your character. On the one hand you evince interest in religion and philosophy, while on the other you desire pleasure from sex. Hence, you will have to make up your mind as to which of the two you would abandon. Mixing them will be neither here nor there.

Throwing out of your mind your over eagerness for sex will also help you in your domestic life, as you will be fortunate to have a good spouse and issues who will provide you with a happy home. It would be in the fitness of things for you to contribute your share for maintaining a harmonious family atmosphere.

Some of your plus points are : You are quick on the uptake, an interesting conversationalist, good-natured and affectionate. If you can, you would like to help others; but if you can't, then you would prefer to stay quiet, but under no circumstances would you want to harm them. This endears you to people in general.

Since you don't relish the thought of having to depend upon your children in your old age, you are eager to earn as much as possible during your active years and store away a portion of your income for use later. This you can achieve, as you have a good business acumen and more often than not luck is in your side.

Your, otherwise, splendid birth chart shows three black spots. The patches are to be found in your 17th, 21st and 24th years which will not be very favourable. It would be advisable to proceed with caution during those years.

Another aspect on which you will have to be careful is about your friends. Some, who pose as your thick friends, may prove to be unreliable. So select your pals after deep thought and a study of their antecedents.

You will have a rosy time if you opt for rose, red, orange and yellow colours. Keep off blue. The numbers which favour you are 1, 3, 4 and 9. Number 8

is definitely bad.

Three days of the week - Monday, Thursday and Tuesday are highly favourable to you. Sunday is average. The other three are not too good.
