# Personality Analysis

The configuration at the time of your birth was Sagittarius Ascendant ( Lagna ) on the rise along with Cancer Navamsa and Aries Dreskana in the fourth Pad of Moola which promises a very bright patch for you but with a dark spot. The negative aspect in your chart is the possibility of your not enjoying the comfort of a long living father or a promising son. You can, however, get over this by treating your family members with more tenderness and treating your children with greater understanding. Plus, you can develop your existing interest in religion by delving deeper into the philosophical aspect of life.

The very idea of the Sagittarius sign is aiming high. Consequently, you can set your goal as high as you can, but bearing in mind that you will have to concentrate on any one thing at a time. Don't aspire for too many things at the same time. Only after you satisfy your desire in a project, should you go after another scheme. As you rise, you may ascend from the material to the spiritual plane.

You will have most of the things a human being can aspire for. You will have sufficient wealth, enjoy public popularity and succeed in achieving your goals. Happy-go-lucky, you are fond of travel and outdoor activities including sports. This enables you to enlarge your circle of friends, but then, you may make many of them hostile because you are an extrovert. You are given to airing in public your views without giving a damn to how others would react to them. Since you believe in certain principles in life, you make it a point to drive them home by speaking the truth all the time. As can only be expected, many people won't like this and they will start deserting you. So, keep clear of dabbling in others' affairs.

Look for a golden arrow in your 27th and 31st years when fortune is likely to favour you the most. During both those years you are likely to amass riches which you would do well to keep in cold storage so that it will come in handy on a rainy day.

The professions that blend well with your knowledge and temperament are journalism, becoming an advocate, politics or being attached with religious or educational institutions.

To maintain your health, which will be good by and large, you will have to guard against diseases like gout, apoplexy and rheumatism.

Make 5, 3, 6 and 8 your favourite numbers and keep off 2, 7 and 9.

Your lucky days are Sunday, Tuesday and Thursday whereas Monday is average. Wednesday, Friday and Saturday are inauspicious. The remaining two days are unfavourable which is why don't attend to any major work or start new ventures on those days.
