# Personality Analysis

The astrological configuration at the time of your birth was Capricorn Ascendant (Lagna) on the rise with Aquarius Navamsa and Capricorn Dreskana in the third Pad of Uttarashadha. This throws up promise of a bright innings for you, but with a minor twist, which is: While you behave like a lion in your dealings with the public, you settle for a subordinate role at home to the point of being almost henpecked.

The reason for that could be your possible late marriage and the fact that you are not an aggressive individual but a moderate who wants calm and peace devoid of any controversies. You will, however, have a very soft corner for your spouse and children, and give them plenty of liberty to go about their jobs.

You can rise high in life, as you are a clever person toeing a virtuous path and believing in the policy of live-and let-live. This endears you to your superiors and helps you to collect a good circle of friends. As you have the power of proper perception of things, people come to you to seek guidance. You are also interested in music and dance, and derive pleasure in attending concerts.

A highly religious person, you will study about the life beyond and make periodic trips to holy places. You will also contribute liberally to charity.

The professions that suit your traits are those connected with the earth, like irrigation and mining, archeology, engineering and civil contracts, occupying positions of trust like judge or arbitrator, or take to export business.

Your health will no doubt be good for the greater part of life, but you would do well to guard against sustaining bodily injuries, by avoiding jumping and falling down. Care is also needed regarding your digestive system.

Being a highly ambitious individual, you will make a planned bid to amass riches in which you will be fairly successful. Your work will proceed even more smoothly if you note that:

The numbers that suit you are 6, 8 and 9, while 3 is unfavourable.

The colours that will help you are white, black, blue and red; while those you have to steer clear of are cream and yellow.

That your lucky days are Friday and Saturday; whereas Wednesday is average. Monday, Tuesday, Thursday and Sunday are not too favourable as they may bring worries, forcing you to incur much expenses.
