## Personality Analysis

The combination of Virgo Ascendant (Lagna) on the rise with Virgo Navamsa and Taurus Dreskana in the second Pad of Chitra at the time of your birth is very favourable to you. You are assured of a comfortable, fruitful life, enjoying all the good things one can aspire for.

Having an attractive personality, with a broad forehead and expressive eyes you will be popular and well liked by all those with whom you come in contact.

A practical individual, courageous, enterprising and energetic, you can fare well in any avocation you take up and emerge successful. You have the capacity to earn a lot, but you won't be able to retain a good portion of it, because you are not only a very generous person, you are also a great spender. Wanting to appear impressive with an air of distinction all the time, you will incur much expenditure on clothes and jewellery for yourself and for your family members. Since you want the best in everything, your expenses will be much more than that of a normal human being.

There is, however, a tiny, negative streak in you. And that is sometimes you tend to take things easy, even when matters requiring your attention will be pending. You have got to give up any lazy stance and go about your job with determination, which will prove highly beneficial. Between the ages of 33 and 38 especially, you can reach the pinnacle.

You are highly religious and have interest in acquiring knowledge about the occult sciences and astrology. You wouldn't mind contributing to charity to help the downtrodden sections of society.

Thoughtful and profound, you are adept in humourous even sarcastic talk which will be highly appreciated by people. Apart from monetary gains, you will also derive comfort from your spouse and children. You will have a pleasant home life.

The professions that suit you well are dealing in sports material, automobile spare parts, business partnerships with like-minded persons and clothes and jewellery. If you want to take up service, you can go in for jobs like becoming a doctor, engineer, lawyer or scientist.

Your health will undoubtedly be very good, but in later years there is an outside chance of your being affected by diseases connected with the kidneys

and the bladders. So take precautions against them.

The lucky days for you are Wednesday and Friday whereas Saturdayday is average. The other four days are not too favourable as they will prove expensive. Your lucky colours are yellow, white, emerald and green. Avoid red, black and blue. Numbers 2, 3, 5, 6 and 7 will prove beneficial, but not 1 and 8.
