## Personality Analysis

At the time of your birth, Cancer Ascendant ( Lagna ) was rising with Libra Navamsa and Scorpio Dreskana in the third Pad of Pushya, indicating you will attain some position of wealth and honour in life.

A devout, god-fearing person, eager to learn about religion and philosophy, you will be popular with most of the people you come in contact. Due to your abiding interest in religion, you will visit holy places and contribute your money for charity.

True, you want to accumulate wealth, but you will do so only by honest means. You can expect an increase in income from the age of 36.

Your eyes are the most prominent feature of your face. They are so attractive that they are liked by persons in authority with whom you may have dealings. Make sure your sexy eyes don't tempt you to have love affairs which may in turn rock your family boat. A home bird, you are extremely fond of your spouse and your offsprings. Only, due to your irritable temper you may find fault with your spouse frequently, resulting in friction which had better be avoided.

Aqua is the operative word for you insofar as choosing a profession is concerned. You would do well to take up professions connected with water, like irrigation, agriculture, ships, dams and canals. You can also try to attain impressive positions in politics and general administration.

As a person desirous of seeking frequent changes from a routine life, you will take to quite a bit of travelling, during the course of which you will make a large number of friends and well-wishers who will extend their whole-hearted co-operation to you.

Due to your high degree of nervous irritability, you are prone to lose your temper very fast, but you will manage to regain composure quickly.

As Cancer rules the chest and the stomach, you will have to take good care of your digestive system. Moderate eating habits, instead of overeating, and keeping off alcohol will be helpful. You will also have to guard against asthma, throat infection, gastric ulcers and cancer.

The lucky days for you are Monday, Tuesday and Thursday, Sunday is average. The other three days are not too favourable as they will prove expensive.

Rely on numbers 4 and 6 which vibrate in your favour. But keep clear of 3

and 5 which are disagreeable to you.

The colours that suit you are white, cream, red and yellow. Avoid green and blue.
