Personality Analysis

Aries Ascendant (Lagna) rising along with Sagittarius Navamsa and Sagittarius Dreskana in the first Pad of Krittika at the time of your birth indicates you will lead a life of comfort without any major hassles.

Since you are a firm believer in Karma, you would do well to render as much services to humanity as possible, so that you may lay a firm foundation for an even brighter innings in your next birth.

Built of moderate stature with a lean, yet muscular body, you possess tremendous courage and self-confidence to pursue your goals with utmost devotion. These qualities naturally bestow upon you the possibility of earning more than sufficient money to indulge in a life of luxury, including sex. Clever, highly ambitious and power hungry, you have the capacity to complete set tasks to your advantage. One plus point in your favour is that whatever project you take up, you will complete it.

Your inner mettle is of such caliber that you will be able to come to grips with any problem that you may have to encounter in the pursuit of your goals. At times you may become so headstrong that you refuse to listen to any sober advice from anyone. Better curb this tendency.

Your outspokenness endear you to one and all, especially members of the opposite sex who are invariably attracted to you because of your adventurous qualities. But this does not mean you will have an imbalance family life. On the contrary, you will be very much devoted to your family members. You will strike a good balance by getting on very well with your mother, at the same time loving your spouse and children. In fact, the responsibilities you shoulder for your family will be appreciated by one and all.

You are a glutton, fond of spiced food. Eating too much without digesting it will naturally cause upsets. So, be choosy in picking your dishes. Go in for more and more green vegetables.

The professions that suit you best are manufacture of chemicals, starting business connected with speculation, etc.

The lucky days for you are Sunday, Monday and Tuesday, while Thursday is fair enough. The other three days are not too favourable as they will prove expensive. Plus, you may consider 9 and 1 as your lucky numbers. The colours that will turn out to be extremely beneficial to you are red, copper, golden and yellow.

Under no circumstances go in for black.

In spite of a very rosy picture, you would do well to take some precautionary measures regarding your health. This is because you are prone to minor injuries, as also some serious accidents, especially to the head. To combat them, make sure to avoid rash and negligent driving and be careful while crossing busy roads.

Periodic visits to your family doctor is advisable, as you are liable to suffer from headaches, minor diseases connected with the brain and insomnia. Follow the adage that prevention is better than cure.
