# Personality Analysis

The astrological configuration at the time of your birth was Scorpio Ascendant ( Lagna ) rising with Sagittarius Navamsa and Pisces Dreskana in the first Pad of Jyestha, indicating you are a person who is a master in saying one thing and doing exactly the opposite, to achieve your aim of earning a substantial amount to lead a life of comfort and pleasure.

Outwardly you seem to be highly religious. You talk convincingly about rights and wrongs, morals and religion, and appear highly virtuous, but inwardly you harbour ideas which are contrary to what you preach. Actually you are a person bent upon being wealthy and eager to enjoy life to the full.

You are able to get away with your misleading appearance as you are well read, intelligent, clever and have the advantage of attracting public attention because of your interest in literature, poetry and the arts in general. The professions that suit you are the press, advertising and publicity, book publication and manufacturing musical instruments. You can also fare well as an engineer if you so desire.

There is every chance of your earning well. But a good bit of it will be spent, as you want to look impressive in public and maintain a comfortable house with costly furniture and modern gadgets.

Few can match you in love-making. Very passionate, you adore your partner; but if, as ill luck would have it, you were to get a passive spouse, you will feel miserable. To avoid such an eventuality, you had better do your home work properly before choosing your life partner. Note that you can find a good match from those born under the Scorpio, Cancer, Taurus, Virgo or Capricorn signs.

Your mania for sex can cause health problems for you, like affecting your private parts. So better go slow on the romantic front. The other diseases for which you may be prone are piles and tumour. Right through, you will have to be very careful as your health may suffer during your 13th, 27th, 31st and 49th years. If you take proper care, you can get over them.

The colours that favour you are orange, red, yellow and cream; those you have to shun are white, green and blue.

Numbers 1, 2, 3, 4 and 9 suit you admirably; the ones you have to avoid are 5, 6 and 8.

Your lucky days are Sunday, Monday, Tuesday and Thursday whereas Wednesday, Friday and Saturday are inauspicious.
