# Personality Analysis

Taurus Ascendant (Lagna) rising on the eastern horizon with Aquarius Navamsa and Taurus Dreskana in the third Pad of Krittika at the time of your birth denotes a sort of split personality.

While you are a pious, methodical person, just minding your business, you will charge like a bull if provoked beyond endurance. You won't spare your adversaries but gore them severely.

But such a person displays a different mettle at home. In the event of a difference of opinion with your spouse, you will behave like a submissive individual.

Another rather irreconcilable streak is regarding your love affairs. On the one hand you are very much devoted to the lover at home and go out of your way to please your spouse by making lavish presents like clothes, jewellery, etc., as you want your partner to look attractive before others. But on the other hand, you have a hypocritical nature in that you are susceptible to the charms of the opposite sex. Given the chance you wouldn't mind having affairs, of course, in secret.

But for these two traits, you are a strong willed individual who thinks deeply before acting on any issue. Whenever you launch a scheme or project you will do so only after weighing the various pros and cons. You are never one to blindly jump into action. You no doubt take your own sweet time in acting, but once you make up your mind you will go all out to make your project a success.

In all this, the one predominant thought in your mind is how to make money, more money and even more money. After amassing wealth, your only worry is how to keep it intact without squandering any part of it. Acquisition is the predominant factor so far as you are concerned.

You are of moderate stature with a plump body, broad shoulders, thick neck and bright eyes. Fond of food, you will hog a lot of spicy dish. This excessive intake may later lead to creating health problems for you. You may suffer from constipation, plethora, eyesore and brain fever. So better take controlled diet always.

Another area in which you need to act with caution is regarding minor accidents. This is because there are indications that you may sustain some injuries.

You will have a lot of friends with whom you will be pretty popular.

The ideal professions for you are those connected with luxury items, music or dance or serving in defence and the police. The lucky days for you are Friday, Saturday while Wednesday is fair enough. The other four days are not too favourable as they will prove expensive.

The numbers that vibrate with you are 2 and 8. Those that are attractive to you are 7 and 9. Keep clear of number 5 which doesn't suit you.

The most advantageous colours for you are green, pink and white. Keep off red, as red is to you what a red rag is to a bull.
