- ❖ The above dasa periods have been computed on the basis of Moon Degree. However, as per bhayat / bhabhog the balance of dasa is Mar 3 Y 7 M 7 D.
- ❖ The Dates given for Dasa periods show their endings. Divisions of Vimshottari Dasa for Complete 120 years are given here without any consideration of longevity.

Personality Analysis

A life of luxury is on the cards for you according to the astrological configuration of Sagittarius Ascendant (Lagna) rising with Taurus Navamsa and Sagittarius Dreskana in the second Pad of Moola at the time of your birth.

Health, wealth and pleasure is in store for a god-fearing person like you who firmly believes in a free, frank and fearless approach to things in life. You shoot straight even if it hurts others; like when you talk on any subject expressing your views freely, uttering only the truth. This will, of course, not be to the liking of many people. Hence learn to put a tab on your tongue.

After getting rich, you will start developing an interest in supernatural things and tend to become philosophical and religious. Maybe, because of that, you can expect a windfall when you are 27 or 31 years old.

You will no doubt take a keen interest in your family affairs and provide your spouse and children with all the good things of life. But you won't be able to spare much time for them as you prefer to travel frequently and when in town participate in sports and outdoor activities. You will, however, have an understanding spouse and promising children.

When you take up any assignment, you will tackle it intelligently and make a success of it. In this you enjoy an advantage over most people - that is, you have the power of intuition and you are almost prophetic in guessing the shape of things to come. Making good use of these qualities, you will achieve your goal with comparative ease.

None can have everything; there will be something lacking in everyone. This holds good in your case too. Even though you will have almost everything an individual hopes for, your health will not be up to the mark. Of course you will enjoy fairly good health mostly, but you may suffer from gout, rheumatic pain and bone problems.

White, cream, blue, emerald, orange and green will bring you luck. The colours you had better keep away from are red, black and pearl.

Avoiding numbers 2, 7 and 9, pin your faith on 3, 5, 6 and 9 which favour you.

Your lucky days are Sunday, Tuesday and Thursday wheras Monday is average. Wednesday, Friday and Saturday are inauspicious.
