Personality Analysis

Cancer Ascendant (Lagna) rising with Capricorn Navamsa and Pisces Dreskana in the second Pad of Aslesha at the time of your birth calls for a determined approach by you to make a success of your life. The goal can, of course, be achieved, provided you bear in mind that honesty is the best policy.

As you are extremely selfish, you may be tempted to go any distance to achieve your desires and ambitions. If you yield to that temptation, you may alienate not only your business associates but even your own family members. Better to proceed with caution so that you don't attract the stigma of unreliability.

As a Cancerian you are undoubtedly capable of rising above petty considerations and leading a comfortable and decent life. You have the requisite knowledge for it, with an ability to communicate your ideas effectively to others. You are quick witted and ingenious and an interesting conversationalist. It is entirely up to you to make positive use of these qualities to rise high in life. All that is needed is determination on your part to toe the straight path and putting in hard work.

If you give up your rigid approach and opt for a more flexible stance, you will win more friends and your work will proceed fairly smoothly. Also, you will have to strictly abstain from intoxicating drinks. Then you can hope for material gains and a happy life, especially from the age of 34.

Self-control on your part is essential to keep your family happy and united. You have the advantage of having a good spouse and understanding children, who will remain grateful and obedient to you. You have got to curb your tendency to be very stubborn, failing which you may end up having strained relations with them.

You must learn to control your emotions and develop your spiritual side which will help you to lead a balanced life.

If you lead a wild life, your normally good health may be affected in later years, with diseases like hysteria, jaundice, stomach trouble, etc. So it would be in your own interest to proceed with caution in your younger days.

The professions that will suit your temperament are travel agency, tourist guide, sales representative and the like. In any of these jobs, your ability to converse intelligently with people will come in handy.
