- ❖ The above dasa periods have been computed on the basis of Moon Degree. However, as per bhayati / bhabhog the balance of dasa is Mer 10 Y 8 M 4 D.
- ❖ The Dates given for Dasa periods show their endings. Divisions of Vimshottari Dasa for Complete 120 years are given here without any consideration of longevity.

# Personality Analysis

At the time of your birth, Virgo Ascendant ( Lagna ) was rising with Aquarius Navamsa and Virgo Dreskana in the third Pad of Uttara Phalguni. This denotes that you are bent upon amassing wealth, no matter how. As far as you are concerned, what matters is the end result, not the means. Hence there are indications that in the pursuit of your goal, you may even turn ungrateful to those who may have helped you.

And you may well succeed, especially between the ages of 28 and 31 when you will gain much material benefits. Once you succeed you will become generous and lead a gay life, with an eye on having quiet affairs with the opposite sex. You have an advantage here and that is with your lean and lanky figure, with attractive eyes and your spicy conversation, you will be popular with the opposite sex.

Having a commercial bent of mind, it would serve you well to take to professions like auditing and dealing in commerce and accounts. But if you want to invest in commercial ventures, you will have to be very cautious, as the returns on your investments will be poor. Hence be careful with your money.

You are intelligent and well read. You are endowed with a sharp and alert mind. That is why you can't stand people with a low IQ. You lose your temper with them and criticise them all the time finding fault with their actions and reactions. You will have to curb this aspect; otherwise you will make many enemies. In that case, you may face a situation when some of your friends and subordinates may try to belittle you in public by carrying on a smear campaign against you.

Somehow you have a feeling that getting married means getting into shackles. That is the reason most people of the Virgo sign tend to put off the wedlock as much as possible. But the moment they get married, they become home birds, playing the role of a loving partner and an affectionate guardian. Some may even be termed as being henpecked. But you will have a good spouse and promising children who will rise high in life.

You will enjoy robust health and live till an advanced age. However, you had better take precautions to ward off some possible diseases that may affect you, like typhoid, dysentery, pain in the back, fainting and blood pressure. Keep a tight control over your eating habits by having a balanced diet, preferably vegetarian. Liquor under no circumstances should be touched.

The lucky days for you are Wednesday and Friday whereas Saturdayday is average. The other four days are not too favourable as they will prove expensive.

The numbers that go well with you are 2, 3, 5, 6 and 7; the ones you have to avoid are 1 and 8.

Red, blue and black are unfavourable to you. The ideal colours for you are yellow, emerald, green and white.
