- The above dasa periods have been computed on the basis of Moon Degree. However, as per bhayat / bhabhog the balance of dasa is Sat 4 Y 11 M 18 D.
- The Dates given for Dasa periods show their endings. Divisions of Vimshottari Dasa for Complete 120 years are given here without any consideration of longevity.

## Personality Analysis

At the time of your birth Scorpio Ascendant (Lagna) was rising on the eastern horizon along with Aquarius Navamsa and Cancer Dreskana in the third Pad of Jyestha, which paints you as a person with a dual character, striking a posture for public consumption contrary to your hidden ambitions.

With some knowledge of religion, you will give the impression of almost being a missionary, while in actual fact the mission you have in mind is to acquire abundant assets, by fair means if possible by foul methods if necessary.

In pursuing your goal you will display great courage and single-minded devotion, facing challenges squarely, invariably emerging triumphant. Actually, you derive pleasure in fighting difficulties, as the fruits of a hard-fought battle taste sweeter.

You have the image in society of a clever go-getter who goes about your job cheerfully, displaying strong qualities, but the same "giant" plays second fiddle to the spouse at home! Eager to have a happy home you will go to any extent, even to the point of being henpecked, to keep your beloved happy. But given the chance, you wouldn't mind being hypocritical, which some day may land you in a spot. This is because there are indications of your being afflicted by venereal diseases. So, look out before indulging in sexual orgies on the sly !

You will have to keep a watchful eye on your health right through, as you may suffer from diseases like piles and tumour during your 13th, 27th, 31st and 49th years. Better have periodic medical check-ups.

You normally prefer going about your job avoiding conflicts with others, but if you are provoked you will sting like a venomous scorpion. So, learn to keep your emotions within limits.

Your lucky days are Sunday, Monday, Tuesday and Thursday wheras Wednesday, Friday and Saturday are inauspicious.

The numbers that vibrate in your favour are 1, 2, 3, 4 and 9 while those that oscillate against you are 5, 6 and 8.

For a person nursing a hidden ambition of painting the town red, your favourite colours should be red, orange, yellow and cream. Avoid green, blue and white.
