# Personality Analysis

The configuration of Gemini Ascendant (Lagna) on the rise in the company of Pisces Navamsa and Libra Dreskana in the fourth Pad of Ardra shows that you, in spite of your myriad traits, will become religious and visit holy places, which should help you to a large extent in your colourful existence.

Like most others, you too have positive and negative qualities, but your faith in the glory of the Almighty will go a long way in making your life purposeful.

With a tall, upright and slender physique, having a pair of arresting eyes, you will prove a hit with the members of the opposite sex. Temptation will naturally lead you to have sexual affairs, which may prove costly. So curb this tendency so that it won't affect your family life and your health.

You are no doubt very clever, intelligent and ambitious, but the snag is you don't have the bent of mind to pursue any single avocation on a permanent basis. You tend to favour shifting from one job to another in the hope of making a quick buck, but this may prove counter-productive as changing horses in midstream is to nobody's advantage. The best course for you would be to think carefully and select your job after a deep study and then hold on to it. This should pay handsome dividends.

But being a Gemini, you are restless and you want results at breakneck speed. After you take up a job or launch a project, you are so impatient that you want on-the-spot results. You are very well aware that this is not possible, yet you insist on immediate returns. The result is you will leave many jobs half done and hop to other schemes, with the result you won't get your due returns from either. There is no way other than curbing this tendency and pursuing with single-minded devotion the job already on hand.

You must also learn to keep your temper under control. As you are an individual who can't suffer fools, you tend to lose your patience and hit back with all the force at your command. This is bound to alienate many of your well-wishers and friends who will start deserting you.

Your health may cause you concern as age advances. The diseases likely to worry you are throat infection, cough, asthma and diphtheria. So don't develop the habit of smoking cigarettes.

The lucky days for you are Wednesday and Friday, Saturday is average. The other four days are not too favourable as they will prove expensive.

Likewise, numbers 5 and 7 vibrate in your favour. But numbers 4 and 8 don't agree with you.

Your favourite colours are yellow, blue, purple, pink and green. Don't use black and red.
