Personality Analysis

At the time of your birth, Leo Ascendant (Lagna) was rising with Leo Navamsa and Sagittarius Dreskana in the first Pad of Poorva Phalguni. This clearly establishes you will lead an excellent life, more so from the age of 28. Your best period will be between the ages of 28 and 32.

You will be on velvet for the greater part of your life. Most of your needs will be satisfied. You are blessed with a golden touch in that whatever you undertake will be a success.

One of your finest assets is you know how to get on with people. As you have the ability to invoke affection and admiration in others, you will have the benefit of their unstinted co-operation and your work will progress without a hitch. You lend a patient ear to the problems of all those who approach you and make an earnest effort to solve them.

You have another splendid talent. That is: You know how to impress your superiors and get close to the topmost authority, with the result you will get to occupy a powerful and lucrative post, like manager of a company or director of a corporation. At the same time, you have the knack of getting the best out of your subordinates. You will be a good leader.

You are clever and skilled in many arts. This enables you to devise ways and means of crushing any opposition to you. In any combat with your enemies, you will triumph.

Your impressive appearance attracts the opposite sex to you, like a magnet attracts iron filings. This could lead to your getting tempted to have a gay time, but better perish the thought, as it may disrupt your happy family life. You will have a loving spouse and dedicated children and an enjoyable home. Let it continue that way.

A problem with you is you are physically so active that you won't have adequate rest. Always on the move, attending to more than one job simultaneously, you will strain your nervous system very much. Consequently, you may, in later years, have problems connected with the heart, the spinal column and blood pressure. Learn to relax.

One thing you are always conscious of is about your and your family's dignity. You will never compromise on that and strive to maintain it, come what may.

The professions that suit you admirably are joining government service, entering transport business, hotel industry or photography.

Make sure to make orange, red and green your favourite colours, avoiding blue, white and black.

Numbers 1, 4, 5, 6 and 9 are your lucky digits. The ones that don't suit you are 2, 7 and 8.

The lucky days for you are Tuesday, Sunday and Thursday whereas Monday is average. The other three days are not too favourable as they will prove expensive.
