- ❖ The above dasa periods have been computed on the basis of Moon Degree. However, as per bhayat / bhabhog the balance of dasa is Sun 3 Y 8 M 24 D.
- ❖ The Dates given for Dasa periods show their endings. Divisions of Vimshottari Dasa for Complete 120 years are given here without any consideration of longevity.

# Personality Analysis

The configuration at the time of your birth was Pisces Ascendant ( Lagna ) rising with Scorpio Navamsa and Cancer Dreskana in the fourth Pad of Uttara Bhadrapada. Overall, this projects a picture of plenty and prosperity for you, but with a snag. The snag is the unwelcome indications discernible in Scorpio Navamsa which points to the possibility of your being poor and diseased. But this is in direct contrast to the excellent prospects denoted by your birth sign and star. Both Pisces and Uttara Bhadrapada hold out promise of a wealthy, healthy, comfortable life for you.

So, it is entirely up to you to come to grips with the situation and eliminate the snag to lead a successful life. As you have the necessary qualities to fight it out, you can certainly emerge on top. For that, you will have to give up two of your traits : Sex and fascination for bad habits. You are so obsess with sex that you make it a major item of interest in life. And you are so much influenced by alcohol that if you are not careful you may become an addict.

If you conquer these two negative aspects, you can be sure of a cozy life. Monetarily you will be well off, but you will have to curb your spending spree so that your resources don't get drained away.

Thus, if you display determination and single minded purpose to get on in life, you can rise to a high position in your profession. You can have a loving spouse and promising children and grandchildren to make for a happy home.

Well read, intelligent, possessing a benevolent disposition, you can gain popularity in society. You can also collect a close circle of friends. But in this you will have to exercise caution, as some of your friends may turn out to be insincere. Hence, study them in depth before placing trust in them.

Pisceans are generally moody and you are no exception. They are given to let their imagination wander which is why they can, if they mind, take to writing poetry or painting or become musicians. They can shine in arts.

You are also religious minded, having immense faith in God. As you gain in years, you will give more and more thought to the spiritual side of life and nourish the ambition that if not in this birth at least in the next you would attain "Moksha" or salvation.

To make sure that you put the right foot forward in anything you do, better follow the points listed below :

Three days of the week - Monday, Thursday and Tuesday are highly favourable to you. Sunday is average. The other three are not too good

Always make it a point to keep off number 8 which is inimical to you. The numbers that suit you are 1, 3, 4 and 9.

Avoiding blue, stick to red, rose, orange and yellow colours.
