# Lal Kitab Planetary Predictions

## Sun

The first house of your horoscope has Sun. Due to this you will be calm and quiet from outside but inside you will be a ball of fire. Your character is good. You will be brilliant, glorious and destroyer of enemies. You will attain knowledge and will be thoughtful. You will be attached with administration, indulged in accountancy and well educated. You will be firm in your beliefs, away from addiction, always ahead, aggressive and hardworking.

You will get rich by your hard work and will help others. You will shine by rubbing with stones. Your tormentors will be destroyed. Your renown will increase; charity will give progress.

At the age of 24, you may be married, blessed with son or have bliss of spouse. You will remain ahead in noble deals. You will help poor but will believe anything only by seeing it. In second half of your life you will get rich. You will have independent views and will benefit through journeys. You will have good relations with senior government officers and will gain due to them. You will work for people's welfare.

If you misbehave with ordinary people or create hurdles in projects of family planning or convert the last room of your home from dark to well lighted, then Sun may become weak for you. If this happens then a debilitated Sun will cause diseases such as bone or heart problems. Anger and acidic tongue may cause high blood pressure.

If you feel that you are facing above problems then following restrictions and remedies are recommended.

### Restrictions:

1. Don't take meat and alcohol.
2. Don't establish physical relation during daytime.

### Remedies:

1. Add sugar in water and offer it to rising sun.
