# Personality Analysis

The configuration of Capricorn Ascendant (Lagna) rising along with Cancer Navamsa and Virgo Dreskana in the fourth Pad of Sravana at the time of your birth throws up a mixed bag for you. While on the one hand you are likely to acquire name, fame and wealth, on the other you may encounter difficulties on the domestic front.

The discordant note in your chart is that you may not have the benefit of the company of your father and you may not be blessed with adorable sons. Your family life otherwise will be good, as you will have an attractive and understanding spouse who will spare no effort to keep you happy.

Clever and well read, you will attend to your job displaying tremendous will power and perseverance. You are capable of making a success of any job you undertake. You are not one to run away from difficulties and abandon the work on hand halfway through.

The professions that suit your bent of mind are those connected with the earth, like excavation, mining, irrigation, agriculture, petrol and oil. You can rise to a high position of trust and power in your avocation.

The best part of your entire lifespan will be between your 19th and 24th years, when you can aspire to acquire sizeable assets.

Interested in religion and philosophy, you will visit many holy places and donate to charity. You will also take to social service without any selfish motive.

Health will be good by and large, but you may sustain minor bodily injuries as you blindly dash from place to place. Better look before you leap. In later years some diseases like indigestion, tuberculosis and skin itches may affect you. You can ward off that threat by consulting your family doctor straightaway.

Your lucky numbers are 6, 8 and 9. The one inimical to you is 3.

Your lucky days are Friday and Saturday; whereas Wednesday is average. Monday, Tuesday, Thursday and Sunday are not too favourable as they may bring worries, forcing you to incur much expenses.

Make white, black, red and blue your favourite colours, shunning cream and yellow.
