Personality Analysis

At the time of your birth, the astrological configuration was Aquarius Ascendant (Lagna) on the rise with Taurus Navamsa and Libra Dreskana in the second Pad of Poorva Bhadrapada. This denotes that if you make an honest approach to life, you can rise to become a very good human being, enjoyable wealth, pleasure and prosperity.

You can emerge as a decent individual, even a leader, who, apart from being honest, can be helpful to others by being liberal, and magnanimous.

You can afford to be magnanimous as you can amass riches. You are not only intelligent, you are also aware of the tricks of the money making trade. Endowed with the ability to analyse and assess clearly any issue, you can put to profitable use of your intuitive power to gain beneficial results.

To get the best out of your qualities, you would do well to take to professions like tourism, public companies, medicine, law, astrology, philosophy or literature.

Normally a good mixer, off and on you tend to go into a shell, preferring solitude. On those occasions when you appear to be reserved, your friends and business associates find it difficult to deal with you. It is essential you get over this trait. But at all other times you are a talkative person who impresses others with santilating humor and sarcasm. You will have a large circle of friends with whom you will have good relations. Only sometimes you bungle, relying on some friends who turn out to be undependable. Study the back-ground of people before you forge close ties with them.

As you are a person who is easily influenced by the opposite sex, you will have to make sure of getting a partner in life. For Aquarians, the ideal match will be from those born under the Gemini or Libra signs.

Once a harmonious matrimonial tie-up is ensured, you can have a pleasant homely life, with lively children who may even exceed your expectations by achieving name and fame. You can also have a well-furnished house, as you are social and like to invite your friends for a get-together off and on.

Health will be fairly good, but better to take preventive steps against some possible diseases which may affect you in later years. The ailments that may threaten you are palpitation of the heart, intestinal problems and hernia.
