Personality Analysis

Aries Ascendent (Lagna) rising with Cancer Navamsa and Leo Dreskana in Aswini fourth Pad at the time of your birth clearly points to your being a fortunate person who at the same time is a practical minded individual, firmly believing that hard and sustained work alone will bring good luck.

You are a volatile go-getter who will pursue your goals with single-minded devotion with the sole object of achieving the set target. Having been born in a movable sign and Navamsa, you won't hesitate to change whatever you dislike and at any time you like.

Possessing a lot of executive ability and an uncompromising spirit, you feel uneasy while working as a subordinate and make constant efforts to reach the top. In this, your tremendous energy and self-pride gives you to act even faster.

With your mind full of many innovative ideas, you are driven with the urge to execute them at once. But here you are up against a hurdle; it is your tendency to take up fresh enterprises before completing those already on hand. If you are able to get over this drawback, you can reach greater heights.

There is another problem which needs to be sorted out. And that is the possibility of your losing sizeable amounts of money due to rash investments and impulsive purchases.

You are very frank and enthusiastic even in matters of love. You will be a hit with the opposite sex because of your good nature and charm. But in love making too, you will all the time be wanting to retain your freedom and spirit of adventure.

In a broad sense, your family life will be fairly good, except for a snag. There are indications of your not being able to enjoy parenthood in the conventional sense, as your male offspring may not live up to your expectations. There is every chance of strained relations between you and your son. So, better to treat your son with patience and understanding to strike a common wavelength, rather than behaving in a dictatorial manner.

You possess an athletic body - lean and muscular. Your head will be broad at the temples and narrow at the chin. It is likely you have a scar of a young age injury on your forehead. You will have to guard against minor injuries throughout your lifetime. But your most important attention will have to be on avoiding serious accidents, particularly to the head. The other area which you have

to be constantly on guard is regarding brain affliction which may even lead to paralysis. So, in addition to taking adequate rest enjoying undisturbed sleep, you must shun liquor and non-vegetarian food. Periodically have a medical check-up.

Colours play an important part in an individual's life. In your case, the favourable colours are red, copper and yellow, while the one colour you must avoid at any cost is black. The lucky days for you are Sunday, Monday and Tuesday, while Thursday is fair enough. The other three days are none too favourable as they will prove expensive. Numbers 6 and 7 are not favourable to you. The ones that suit you best are numbers 9 and 1, and 4 and 8 which attract you.
