- ❖ The above dasa periods have been computed on the basis of Moon Degree. However, as per bhayat / bhabhog the balance of dasa is Ven 11 Y 5 M 4 D.
- ❖ The Dates given for Dasa periods show their endings. Divisions of Vimshottari Dasa for Complete 120 years are given here without any consideration of longevity.

## Personality Analysis

The astrological configuration at the time of your birth was Gemini Ascendant ( Lagna ) rising along with Libra Navamsa and Gemini Dreskana in Mrigasira third Pad. The message is clear : You have got to plan your life properly, failing which you will lead a checkered career resulting in problems galore.

True, Gemini's too have plus and minus points, like all others. But the snag is they tend to pursue paths which may land them in trouble. For instance, they have a lean and lanky figure with sparkling eyes which are very much liked by the opposite sex. Consequently, they are tempted to indulge in sex, which will not only spoil their health but mar the atmosphere at home to the point of breaking homes. Also, sexual orgies may result in their begetting progenies from others sex which will be a perennial source of headache.

That is why Gemini's have to be very careful in picking their life partners. It will serve them well if they look for spouses from among those born under the Aquarius, Libra, Leo or Aries signs. This will result in a comparatively balanced homely life.

The most glaring weakness of those born under the Gemini sign is fickle-mindedness. They just can't make up their mind on the job on hand, because they lack concentration and firmness. Driven by a wavering mind, they go on changing jobs and altering plans. The result is a jack of all arts and master of none. Invariably they change their jobs and occupations many times.

Also, they lack patience. They want everything to move at breakneck speed all the time. Soon after taking up a project, they expect instant results, even though they are aware it is not possible.

Gemini's are so restless that they tend to spoil their health by constant worry and anxiety. They are prone to be afflicted by a wide range of diseases like influenza, tuberculosis, venereal diseases and fractures. Adequate rest with relaxation and sleep may ward off such diseases. Plus, breathing exercises will prove helpful.

The professions that suit the genius or Gemini's are business connected with travel agency, share brokerage, law, cinema, accountancy, banks, oils, cosmetics, beverages and education. If they prefer, they can achieve good success from the occult sciences or from preaching religion.

To get the best out of life, Gemini's had better follow the guidelines listed

below:

The lucky days for you are Wednesday and Friday, Saturday is average. The other four days are not too favourable as they will prove expensive.

The numbers which vibrate favourably are 7 and 3, whereas 4 and 8 are disagreeable.

The favourable colours are green, pink, purple, yellow and blue, while black and red will prove detrimental.
