Personality Analysis

You belong to the select band of Vargottam, as per the astrological configuration of Pisces Ascendant (Lagna) rising with Pisces Navamsa and Scorpio Dreskana in the fourth Pad of Revati at the time of your birth. This means you will lead a superb life, enjoying health, wealth, happiness and near contentment.

In fact, living will be so good that as you grow older, you will start thinking in terms of renunciation of worldly things and evince a keen interest in religion, philosophy and the occult sciences. You will try to live up to your birth sign of Pisces, which is also known as the sign of "Moksha" or salvation. The uppermost thought in your mind will be how to live like a model human, rendering service to people, so that you can achieve emancipation of the soul, free from the cycle of birth and death.

Almost throughout your existence, you will display high qualities. You will be dutiful to your parents, visit holy places and serve saints, and donate liberally to charity. No doubt, you will earn plenty but in a straight-forward and decent way. You won't covet others' property, but amass riches by dint of sheer hard work and dedication. You will be a popular figure, cheerful and ever willing to extend a helping hand to all those who approach you. A happy, harmonious home is assured to you, as you will be blessed with an understanding spouse and bright children.

There is, however, one discordant note. That is: Your 17th, 21st and 24th years may not be as lucky as the others. You may encounter problems of one kind or another during those periods. Hence it would be advisable for you to be cautiously at those times.

Your health will be pretty good, but in later years you may be prone to diseases like intestinal ulcers and nephritis if you take to liquor. So lay off the bottle.

Three days of the week - Monday, Thursday and Tuesday are highly favourable to you. Sunday is average. The other three are not too good.

Numbers 1, 3, 4 and 9 vibrate in your favour. But the one that is inimical is 8.

There is one colour you would do well to avoid and that is blue, as it doesn't suit you. Make red, rose, orange and yellow your favourites.
