Personality Analysis

Gemini Ascendant (Lagna) rising along with Aries Navamsa and Aquarius Dreskana in the first Pad of Punarvasu at the time of your birth assures you of a happy, comfortable life. From the age of 25 especially, you will have a golden period.

The configuration is no doubt favourable to you, but that doesn't mean you sit back and take it easy, hoping for things to happen to your advantage automatically. You will have to put in an earnest effort to achieve your goals, failing which you will encounter problems.

Since Gemini's are known to have a wavering mind, you too may be tempted to change your profession often, which won't pay dividends. It is up to you to make a success of life by having a steady mind and completing the work on hand, without deserting it midway. You have the ability to do it.

Your greatest asset is you don't have too much desire, which is the bank of humanity. You are satisfied with trifles and content with even small achievements. As an individual, you are devout, playing fair with others, having a charitable nature. You have an amiable disposition and lead a wealthy, happy life. You will undertake plenty of travel, during the course of which you will make many new friends who will be willing to help you.

You will have a peaceful home, with a loving spouse and children who will provide you with comfort. But you will have to reciprocate the feelings of your family members by being loyal to your partner, without yielding to the temptation of sex with others, as the opposite sex is attracted to you because of your physique and arresting eyes. You will be tall and slender, with rather thin legs.

As you are very quick on the uptake, you would do well to take up professions connected with writing, like journalism or book publishing, astrology, teaching or becoming an advocate.

You will enjoy good health, but you may suffer from piles, bronchitis and stomach upset. So take preventive steps straightaway.

Regarding colours, you will have to be choosy. There is a snag here. You are very fond of white, but that doesn't suit you. The colours ideal for you are yellow, pink, purple, blue and green. Curb your tendency for white and avoid red and black.

The numbers which vibrate in your favour are 7 and 3, but 4 and 8 don't agree with you.

The lucky days for you are Wednesday and Friday, Saturday is average. The other four days are not too favourable as they will prove expensive
