- ❖ The above dasa periods have been computed on the basis of Moon Degree. However, as per bhayat / bhabhog the balance of dasa is Mer 6 Y 3 M 3 D.
- ❖ The Dates given for Dasa periods show their endings. Divisions of Vimshottari Dasa for Complete 120 years are given here without any consideration of longevity.

Personality Analysis

The astrological configuration at the time of your birth was Pisces Ascendant (Lagna) rising with Aquarius Navamsa and Scorpio Dreskana in the third Pad of Revati. This shows you have a dual personality, in spite of which you will lead an enjoyable life of wealth and prosperity.

You are really cast in the mould of Pisces which is a dual sign. You do things which are incompatible. Like, for instance, while in your public dealings you put on the appearance of a brave, aggressive individual who brooks no nonsense, at home you are timid, possibly even henpecked. Or, for instance, while in your business or place of work you are considered a very honest person, you wouldn't mind stooping to the level of Hippocratic if it suits your purpose.

Yet, by and large, you will conduct yourself as a decent individual, dutiful to parents and respectful to religious leaders, generous and sympathetic to the feelings of others. You can earn a lot of money and enjoy life to the full. Your idea of enjoyment, however, is sex. Even while parading as a devoted partner, you may be tempted to have secret affairs with others, women which if not resisted, may mar your fine atmosphere at home. You have got to resist the urge to yield to temptations.

Also, you will have to be more practical-minded to succeed in life. As it is, you are given to day-dreaming, imagining all sorts of pleasant things, all of them far removed from reality. You must come down to earth and pursue your assignment with hard and dedicated work which is certain to prove beneficial to you.

You will also have to give up your trait of relying on others' promises, because more often than not the promises will only remain on paper. You should tackle your jobs on your own, without depending upon outside help.

A highly religious person, you are ideally placed to adopt a philosophical approach to things. As the basic idea of the Pisces sign is occultism and mysticism, you can learn about them and hope for the liberation of the soul, at least in some other birth if not in this one. Religion can easily be practiced along with attending to worldly matters if one has the will to do so.

Everyone is susceptible to some disease or the other. So are you. In your later years you may encounter problems connected with the intestines and the ears. If advance precautions are taken, after consulting your doctor, you can at

least mitigate the hardship, if not eliminate it all together.

Three days of the week - Monday, Thursday and Tuesday are highly favourable to you. Sunday is average. The other three are not too good.

The numbers you can count on are 1, 3, 4 and 9. The one which you must avoid is 8.

Never go in for blue. The colours best suited to you are red, rose, orange and green.
