Lal Kitab Planetary Predictions

Sun

The second house of your horoscope has Sun. Due to this reason you indulge in charity and work with confidence. You will move forward due to valour. You will rise yourself and help others to rise. You will earn due to hard work and skills. You will have a good vehicle. You will have pleasures of three worlds. You will be leader in religious matters. You will get temples and dharmasthals built. Your family life and in-laws will be good.

You will be favorable to your parents / father in-law and mother in-law but will be adverse to ladies in family. You will benefit from government and will get accolades from government officials. You may become owner of a big business. In charity you may be like Karna.

If you enter into a lawsuit with your relations for property or money; usurp other's goods, take white things (Rice, Silver, Milk etc) free of cost, then Sun may get debilitated and this may affect your wife, beloved or wealth. Your mother and her sister too will be affected.

The number of ladies in family may be reduced that can harm sisters, mother/mother in law, sister in law etc. Your mother or aunts may be widowed. If you fight or enter lawsuits for money, wife or land, your family tree could be destroyed.

If you feel that you are facing above problems then go for following restrictions and remedies that are recommended.

If you keep hand pump or other source of water under a covered roof, cut a neem tree, do not keep good character, destroy ancestral heritage then Moon may become weak for you. A weak Moon will make you waste your time by remembering old days. There may be few self destroying actions by you.

There could be lawsuits concerning property whose judgments will be delayed but in your favour. Your children may be worthless.
