Personality Analysis

The astrological configuration at the time of your birth was Virgo Ascendant (Lagna) rising along with Cancer Navamsa and Taurus Dreskana in the fourth Pad of Hasta, which points to the possibility of your becoming a rolling stone, always changing from one job to another. This need not necessarily mean you can't realise your ambition of having a fat bank balance, but you can fare better if you are more steady in your approach.

You have the habit of leaving things half done and taking up new ventures, which is none too beneficial. Also, you don't take a firm decision and act on it, but have a straying mind which goads you to alter your plans frequently. If you get over this trait of indecision, you will stand to gain much .

Another problem with you is your highly critical bent of mind. Be they your friends or business associates, you will constantly find fault with them and endlessly criticise them. This will alienate most of them. The result is some of them may try to take you to court and depose against you. So be patient in your dealings with men and matters and give up the habit of grumbling all the time. At home too you are given to finding fault even with sundry matters. This spoils the atmosphere. Actually you should have a very pleasant home as your spouse will be god-fearing and extend all-out support to you.

Make sure you don't upset your family balance by going after the opposite sex. As you are witty and look younger than your age, you are capable of impressing members of the opposite sex, for whom you have a fascination.

You will live long and enjoy robust health. But you will have to be careful about stomach and the nervous system, both of which are highly sensitive. If you don't take precautions, you may contract diseases connected with them, as you grow old. Having a balanced vegetarian diet will go some way in warding off such diseases.

The lucky days for you are Wednesday and Friday whereas Saturday is average. The other four days are not too favourable as they will prove expensive. The colours that prove lucky for you are emerald, yellow, green and white. Avoid black, red and blue.

As far as possible, keep clear of numbers 1 and 8 which don't agree with you. The numbers which vibrate in your favour are 2, 3, 5, 6 and 7.
