# Personality Analysis

You belong to the exclusive, privileged category of Vargottam, as per the astrological configuration of Capricorn Ascendant (Lagna) on the rise along with Capricorn Navamsa and Capricorn Dreshkana in the second Pad of Uttarashadha at the time of your birth. This assures you of riches, luxury, comforts and happiness in your long life.

The stage is set for you to work hard with self-confidence, determination and purpose to achieve success. And you are capable of it as you are endowed with the qualities required to hit the bull's eye. Hence, you don't have to be on edge most of the time, as you are prone to, but take things in their stride without unduly worrying about them. Since worry doesn't solve any problem, what is the point in going on worrying?

Once you start acquiring assets, you will make sure to keep it intact, as you are thrifty, not given to going on a spending spree. Though you are modest and appear to be mild, you can't be cheated. Not only can't others rob you of your riches, your colleagues won't be able to block your path to progress. Cautious, having the ability to make an honest effort, you can carry out schemes of considerable magnitude and rise to occupy the topmost position.

Believing in fair play and being honest in your dealings, you will evince much interest in religion and philosophy and contribute your mite to charity.

Invariably, Capricornians marry late, but once they tie the matrimonial knot, they will love their family, though outwardly they don't display their emotions. Mostly introvert, they prefer a quiet peaceful atmosphere at home. They do their utmost to their family members and are ever eager to maintain the family prestige.

Never try to jump, because you may sustain bodily injuries as indicated in your chart. Better make it a habit to have regular exercises to ensure proper digestion which is one of the areas about which you will have to be cautious.

You can shine and better off in service than in business. The professions tailor-made for you are teaching, writing, music, playback singing, engineering, architecture, salesmanship especially of scientific instruments, or being attached to firms dealing in land or mine products.

The prospects are indeed rosy. Go ahead and make good use of your favourable luck, bearing in mind the following guide lines:

---

That your lucky days are Friday and Saturday; whereas Wednesday is average. Monday, Tuesday, Thursday and Sunday are not too favourable as they may bring worries, forcing you to incur much expenses.

That numbers 6, 8 and 9 vibrate in your favour while 3 does not suit you.

That the colours that go well with you are red, black, blue and white; the ones you have to keep off are cream and yellow.
