- ❖ The above dasa periods have been computed on the basis of Moon Degree. However, as per bhayat / bhabhog the balance of dasa is Ketu 6 Y 8 M 10 D.
- ❖ The Dates given for Dasa periods show their endings. Divisions of Vimshottari Dasa for Complete 120 years are given here without any consideration of longevity.

## Personality Analysis

The configuration at the time of your birth was Scorpio Ascendant (Lagna) on the rise with Cancer Navamsa and Scorpio Dreskana in the fourth Pad of Vishakha which indicates that if anyone tries to block your path to prosperity, you will strike at your opponent with vanguard.

You are a person with a set goal. Come what may, you must succeed in fulfilling your ambition which is to amass wealth and have a good time, including sex. In the braggain you wouldn't mind brushing aside accepted norms and go to the extent of driving a wedge between two parties if it suits your purpose. You are also jealous of affluent persons and try your utmost to fare better than them. To an extent, you will succeed as fortune favours you.

But mostly it will be an uphill battle as you are not only very arrogant, but also obstinate. This results in the circle of your enemies enlarging, but since you carry a poisonous sting in your tail you will crush them.

At home too you will be bent upon playing a dominant role. Instead of adopting a compromising posture, you will want to behave like a dictator, which tendency, if not given up, may be one of the factors spoiling your forging a good rapport with your spouse. The other factor could be your sexual exploits. Though you love your spouse dearly, you are always eager to have a go with others. If you don't correct these two traits, you may not have a good family life. Hence advance planning on the matrimonial front is advocated. You had better look for a spouse from among those born under the Cancer, Pisces, Scorpio, Taurus, Virgo or Capricorn signs for an ideal match.

Though you will earn a lot, you won't have a fat bank balance as you are a spendthrift. Keep a check on unnecessary expenditure.

Scorpios, unlike scorpions, will generally have a well proportioned body, presenting a good personality. Even though of average stature, they project a commanding appearance because of their broad face and invariably curly hair. What they have to be careful about is regarding their tendency to get fat in middle age, which would mar an otherwise imposing structure.

Your health will be quite sound, but you will have to guard against some diseases which may affect you in your old age. They are : prostrate glands and illness connected with the brain.

For your progress, you would do well to select a profession from the

following : Chemistry, research, medical including maternity, insurance, criminal investigation, iron and steel works and defence services. As you are interested in arts, you may conduct music classes for some time.

Your lucky days are Sunday, Monday, Tuesday and Thursday whereas Wednesday, Friday and Saturday are inauspicious. The numbers that favour you are 1, 2, 3, 4 and 9, and those that are unfavourable are 5, 6 and 8. Prefer yellow, red, orange and cream, avoiding white, blue and green colours.
