Personality Analysis

At the time of your birth Virgo Ascendant (Lagna) was on the rise with Gemini Navamsa and Capricorn Dreskana in the third Pad of Hasta, which indicates that you are a person fond of reading and will be interested in creative pursuits. This should turn out to be profitable.

But it is your intellectual caliber which may land you in trouble. You will criticise and find fault with most of the persons you run into, with the result a good majority of them will become hostile to you. Some of your friends and servants may try to carry on a campaign against you in public. So, better exercise patience and silence in your dealings with others.

Your other weaknesses are a fascination for alcohol and sex. You will have to curb both, to maintain good health and to ensure a harmonious family atmosphere, especially because you will have an understanding spouse and children who will do you proud.

Regarding health, there is no need for undue concern, as it will be very good during most of your long life. But since you have a highly sensitive stomach and nervous system, you will have to be on guard against the possibility of being stricken with diseases like typhoid, dysentery and nervous breakdown. Sticking to a balanced, vegetarian diet will prove beneficial.

You can, of course, become rich and lead a life of comfort, but for that you will have to put in a sustained effort. You will have to have consistency of purpose, instead of a wavering mind. It would serve no purpose if decisions are changed frequently because of a fickle mind. You will first have to think deeply about your plan of action, arrive at a firm decision and pursue it with determination.

In your over eagerness to make quick money, you may desire investing in commercial ventures, as you have a sound commercial instinct. Better to ignore that temptation, as the returns on the investments you propose will not be anything to shout home about.

You have a wandering nature, which is why you change your residence frequently. Constant change in anything you do is the key aspect of your nature. That is why you have the habit of leaving things half done and switch over to something else. You have to get over this trait if you want to rise high in life.

Prefer numbers 2, 3, 5, 6 and 7, and avoid 1 and 8. Since blue, black and

red don't suit you, take to yellow, white, green and emerald colours. The lucky days for you are Wednesday and Friday whereas Saturday is average. The other four days are not too favourable as they will prove expensive.
