Personality Analysis

The configuration of Libra Ascendant (Lagna) rising with Aquarius Navamsa and Aquarius Dreskana in the third Pad of Swati at the time of your birth points to a favourable wind, assuring you of a very good and fruitful life but there is a hint of a mild cross-breeze against which you need to protect yourself.

The Swati star and the Libra sign indicate you will be blessed with health, wealth and happiness, but Aquarius Navamsa shows you may be rather henpecked and Hippocratic. This does not square with your personality of courage, honesty and integrity. You have got to overcome this possible negative trend.

May be, since you are an individual who adores the spouse and indulges in passionate love-making, you may be willing to compromise your qualities to appease your partner. But then, the chances of your displaying Hippocratic could well be connected with quenching your thirst for sexual orgies with opposite sex. As you are generally popular with members of the opposite sex, you may have affairs on the sly with them to satisfy your lust. It is this that could make you a hypocrite. It would be best if you banish the thought of being unfaithful to your partner as you will have a harmonious happy home with an understanding spouse and excellent children.

Life in general is bound to be very good what with your intelligence and capacity for hard work, because of which you will reap a rich harvest. Money will flow in, especially between the ages of 30 and 35, which you will spend lavishly.

You will not only incur a lot of expenditure on the upkeep of yourself and your family members, but also on maintaining an attractive house with modern furniture and works of art and curio. In other words, a good chunk of your earnings will be invested in keeping up appearances. The ultimate result will be you will find in your old age that your reserves are not as much as they should have been considering the amount of money you would have earned.

You will also have to take some precautions about health in your old age. No doubt you will enjoy excellent health almost right through, but in later years there is a mild chance of your being affected by diseases like skin irritation and urinary complications. Better take precautions against them.

Think of numbers before you jump into action. The numbers that are favourable to you are 1, 2, 4 and 7, whereas the unfavourable ones are 3, 5, 6 and 9.

It will do you good if you opt for orange, red and white colours, and avoid green and yellow.

The lucky days for you are Friday and Saturday whereas Wednesday is average. The other four days are not too favourable as they will prove expensive.
