- ❖ The above dasa periods have been computed on the basis of Moon Degree. However, as per bhayat / bhabhog the balance of dasa is Ket 3 Y 6 M 3 D.
- ❖ The Dates given for Dasa periods show their endings. Divisions of Vimshottari Dasa for Complete 120 years are given here without any consideration of longevity.

Personality Analysis

The configuration at the time of your birth was Capricorn Ascendant (Lagna) rising with Taurus Navamsa and Taurus Dreskana in the second Pad of Sravana, which holds out promise of a fruitful, successful life of wealth and happiness. As you believe in "slow and steady wins the race", you can be optimistic of your ventures since you approach them after due consideration and thorough planning.

If you toe the right path, you can also acquire fame and name in addition to wealth. Learned and fond of music and having an interest in mathematics and astrology, you will become so popular that people will make a bailing to seek your advice regarding their problems. On your part, you will be willing to spare your time to help them out, which will be appreciated. This will slowly lead to your taking up social work.

The golden period of your life will be between the ages of 19 and 24 when you will be blessed with a good position in your profession and a lot of income.

You will stand to benefit if you opt for a profession suited to your genius. Hence it would be advisable for you to make a choice from a wide range of avocations like agriculture, mining, coal, petrol, oil, excavations and dealing in refrigerators and coolers.

Life on the domestic front will be swell. With a beautiful and hardworking spouse and children who will come up to your expectations, you will have a home of peace and happiness. An introvert, you will not openly display your affection to your family members, who will however don't mistake you but will offer their wholehearted co-operation to you.

Even though your health will be generally good, you may, in later years, be affected by some diseases like indigestion, rheumatism and skin itches, against which you would do well to consult your doctor periodically. You may also sustain some minor bodily injuries; so be careful while climbing and alighting staircases to avoid falling down.

The colours that blend well with you are white, black, red and blue. The ones you have to avoid are yellow and cream.

Make sure to keep off number 3, failing which you will invite trouble. You can rely on 6, 8 and 9.

Friday, Tuesday, Saturday and Wednesday are tailor-made for you to attend to any major work. Note that Sunday, Monday and Thursday are inimical to you.
